

**SAMUJANA UNVEILS ITS MOST SPECTACULAR VILLA YET**

Koh Samui's luxury villa estate saves the best for last with colossal new property

(April 2016) Koh Samui's leading private villa estate, Samujana, unveils its most expansive property yet, Villa 24. Occupying what was originally planned as two plots, the impressive 8-bedroom, 1,808 SQ.M villa is the largest on the estate, which now houses a total of 27 hillside villas.

Designed by Asia's celebrated Gary Fell of GFAB Architects, Villa 24 offers uninterrupted sea views to capture both sunrise and sunset, with panoramas of the Gulf of Thailand and some of Koh Samui's most iconic landmarks - Chaweng and Lamai, Choengmon and Plai Laem, Big Buddha and the neighbouring island of Koh Phangan.

Ideal for memorable getaways with family or friends, the property features two designer kitchens built specifically for group entertaining, a private in-house cinema complete with a plethora of films and TV shows, a breathtaking infinity pool and a fully-equipped private gym. With an outdoor dining sala, jacuzzi and games

room, Villa 24 is the perfect spot to host an unforgettable celebration, have a detox break in a stunning setting, or simply reconnect with friends and family.

Incorporating cutting-edge technology, Villa 24 is one of the first to feature Samujana's state-of-the-art sound system through a partnership with Music Eye View, which will provide curated, themed music for different moods. Guests will have the option to stream music exclusively created for Samujana, for a fully bespoke soundtrack to days in the sun.

Guests can enjoy the many amenities offered on the estate at their leisure: private villa hosts, local and international cuisine from top, private chefs, an all-weather tennis court (floodlit) and access to nearby water sports. Samujana has also partnered up with one of the islands' leading wellness experts, Amrita, to provide a range of luxury detox and slimming programs in the privacy of their villa. Guests can also take advantage of exclusive charters with a choice of sailing yachts and motorboats - ideal for water-skiing, picnics on hidden beaches, snorkelling, sightseeing or for pure sailing pleasure.
